WORK MERK™

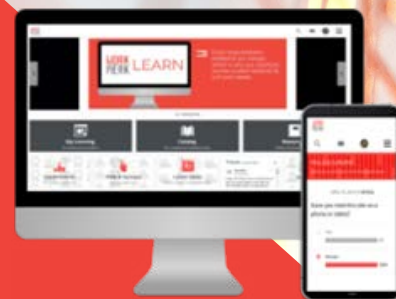

"Through technology, I can have a positive influence on the daily habits and routine of a Guardsman. That excites me."

- Colonel Everman, Commanding Officer
177th Fighter Wing, NJANG

The Winning Habits Company

WorkMerk's configurable enterprise-grade solutions enhance your workflow and empower your workforce. Our real-time, mobile technology enables efficient execution of priority tasks, fosters reinforcement of compliance standards and streamlines communication with location-aware reminders, notes, tasks and texts in a way that is **SMART**: Specific, Measurable, Auditable, Retainable, and Timely.

Our tech has been featured on **CNBC, CNN, Fox Business, Yahoo Finance, Bloomberg, Hospitality Technology** and more.

Products in Operation

Our workflow and learning management solutions, workSMART and learnSMART, are utilized by law enforcement, healthcare, real estate, hospitality and food service organizations. Our VirusSAFE Pro application utilizes WorkMerk's workflow management technology to provide real-time verification of COVID-19 health and safety checklists to help organizations safely open to the public. Exclusive partner to the National Restaurant Association and their 650,000 members.

VirusSAFE EDU is a health and safety verification solution for education, providing a scaled platform for schools and higher education to protect students, faculty and staff. Texts in a way that is SMART: Specific, Measurable, Auditable, Retainable, and Timely.

Our tech has been featured on **CNBC, CNN, Fox Business, Yahoo Finance, Bloomberg, Hospitality Technology** and more.

"30-40% of America's restaurants may go out of business because of COVID. VirusSAFE Pro gives that mom & pop restaurant the tools they need to safely open their doors again."

-Celebrity Chef Robert Irvine of Restaurant Impossible

"The success of any deployment of airpower begins with the readiness of our Airmen. WorkMerk's tool to help improve readiness is one that I would have welcomed when I was in uniform."

-Brooks Bash, Lieutenant General, USAF, Retired, Former national Security Council, Partner Stoney Lonesome Group
